

QwickPAY[®] mobile credit and debit card acceptance

Powered by PAImobile from Payment Alliance International

Convert your iPhone[®], iPad[®], iPod Touch[®], Samsung Galaxy Tab[™] or other Android[®] device into a mobile phone processor....

And easily accept credit and debit card payments anytime, anywhere.

- Save 30% or more on every transaction – processing with QwickPAY qualifies every transaction for the lowest processing rate
- Swipe card transactions easily through a phone plug-in or blue tooth handheld secure card reader and eliminate the possibility of incorrectly hand keying card data
- Create an invoice with on-screen signature capture and send electronic email receipts to both you and your customer to record the sale
- Reduce chargebacks by easily identifying and declining counterfeit cards on the spot

QwickPAY is the safest way: Secure...Mobile... Payments
