

Payment Alliance OneSource Program

ATM Solutions for Financial Institutions

Payment Alliance International (PAI) OneSource takes the management of multiple ATM vendors and consolidates them to a single source to address challenges facing financial institutions and their ATM channels. PAI OneSource can provide what your institution seeks...a trusted partner with proven expertise in delivering off-premise ATM specific solutions:

- ▶ Leadership in the ATM industry
- ▶ Deep understanding of the ATM eco-system
- ▶ Investment in the channel
- ▶ Reliability
- ▶ Decreased Capital Outlay
- ▶ Reduction of Liability
- ▶ Increase Revenue
- ▶ Decreased Operational Expense
- ▶ Expanded Footprint
- ▶ Speed-to-Market

Customized Program Options

There are three fully-customizable components to choose from in the PAI OneSource program. Select one, two, or all three options depending upon your needs:

- ▶ **Off-Premise ATMs** – Managed services of existing off-premise locations.
- ▶ **Commercial Accounts** – Dedicated PAI relationship managers are assigned to your financial institution to actively work with your treasury management and/or commercial lenders to provide off-premise ATM solutions to your commercial account customers.
- ▶ **Branding Solutions** – Opportunities to place your brand on existing PAI ATM locations nationwide are available to assist in expanding your footprint or maintaining a presence in strategic markets.

PAI OneSource Service Elements

The OneSource program is multi-faceted, providing a technologically-advanced solution for all of your off-premise ATM locations:
