

PAI CA\$H Alliance

With the **PAI CA\$H Alliance** turnkey ATM vault cash and carrier program, you can focus on growing your business by adding new customers instead of spending most of your days in the field servicing and filling your ATMs. This unique program, brought to you by **Payment Alliance International (PAI)**, provides your business with access to cash, armored carrier management and forecasting services – at highly competitive rates!

Benefits of PAI CA\$H Alliance

- Free up your cash
- Free up your time
- Grow your business
- Earn higher rates of return
- Lower your costs (vehicle, gas, salary, insurance, back-office, downtime)
- Safety for your employees and customers
- Cash is fully insured
- On-line monitoring
- Nationwide coverage
- Streamlined set-up

Extremely Affordable

By enrolling your locations into PAI CA\$H Alliance, you can successfully and economically run your ATM program at an affordable rate. The program includes:

- Vault cash
- Armored carrier management
- Cash management (forecasting, reconciliation)
- Low-deductible insurance on vault cash

Let us take away some of the headaches associated with managing cash for your ATM portfolio and participate in the **PAI CA\$H Alliance** program today! You'll be able to grow your business with all the extra time and money you save!
