## **David Kozal Joins Payment Alliance International**

*Industry Leader Will Further Strengthen the Company's Financial Foundation*

Louisville, KY – March 27, 2008 – Payment Alliance International, PAI, a growing force in today's Payment Processing industry, announced today that David Kozal has joined the company as Senior Vice President and CFO. David will bring additional financial and risk management expertise to PAI.

David comes to PAI from First Data, where he was CFO of their credit card processing unit and brings more than 20 years of banking and transaction processing experience to the team. Throughout his career, he has been instrumental in creating strong financial foundations for growing business units and involved in an impressive list of various mergers and acquisitions.

"David represents another investment in the executive infrastructure to support our strategy of accelerated growth over the next few years." said John J. Leehy III, CEO of PAI. "We are further confident that his expertise will also help us to continue the progress that we have made this past year in building out our financial and accounting areas.

### ***ABOUT PAI***

Payment Alliance International (PAI) is an emerging leader in the payment processing industry offering credit card, check processing, ATM network management, cash management and business information services. Created by leading payment executives, PAI has become one of the fastest growing companies in America. PAI is based in Louisville, Kentucky.
