Payment Alliance International Receives Greater Louisville Best Places to Work Award

LOUISVILLE, Ky., Aug. 8, 2016 (Business Wire) – [Payment Alliance International \(PAI\)](#), a leader in electronic payment processing solutions, today announced it has been honored for the second year in a row by Louisville Business First as a “[Best Places to Work](#)” in Greater Louisville award winner. Honorees were recognized at a celebration breakfast held at The Olmstead on Thursday, Aug. 4, 2016. PAI was recognized as one of only five companies named in the Large Employer category (100 employees or more).

"Business is about people, and we have some of the best!" said John J. Leehy III, president and chief executive officer of PAI. "Our team brings energy and commitment to what they do each and every day, and it's that passion that drives our business forward," added Leehy.

In its second year of existence, “Best Places to Work” in Greater Louisville honors companies and nonprofit organizations in the Louisville region that have earned the loyalty and affection of their employees by investing in their well-being as well as tangible perks. Honorees were determined based solely on employee responses to a survey conducted by Nebraska-based Quantum Workplace. The responses, factored in with level of employee engagement, determined a business or organization’s score.
